

**Planning authority:** Kerry County Council, Co. Kerry

**Unique identity number:** RPS KY-015-005

**Address:** Aghabeg West

**Description:** Detached four bay single storey direct entry house facing south with outbuilding in line with west gable. Pitched thatched reed roof, two rendered rubble stone chimney stacks, rendered barges.

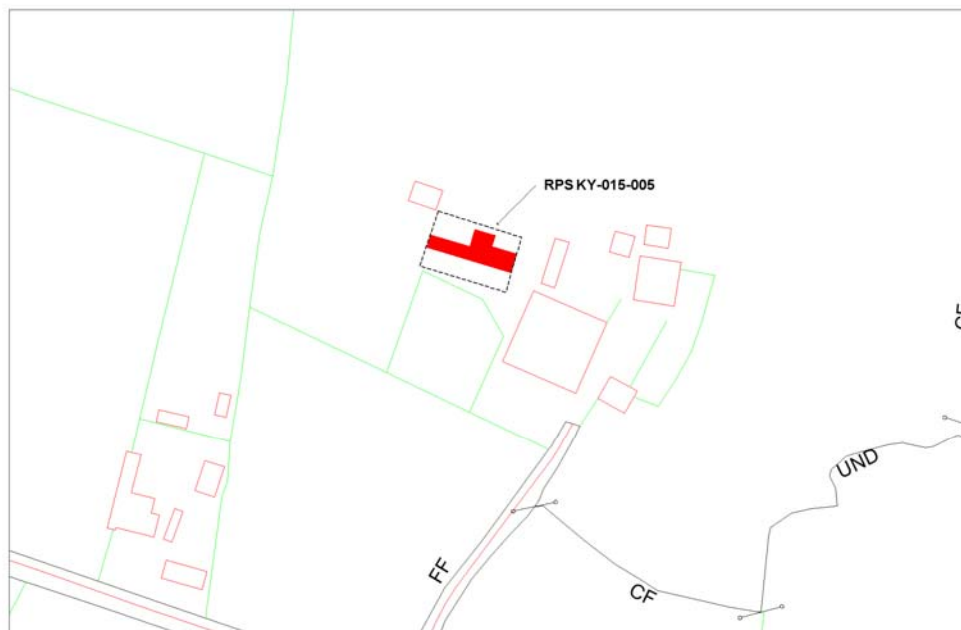

**Ordnance Survey Map:** 5275

**National Grid co-ordinates:** 85744 : 129990

**Special interest:** Architectural, social

**Site features:**

**Location Map** (not to scale)

**Appraisal:** A typical house type in very good condition. The thatched roof structure is exposed in the kitchen space with original structure visible. The roof was repaired in one area following a storm by inserting additional timber members. One of the few house found in very good condition found in the survey. It is recommended that this building is added to the RPS.
