Description: Detached single storey five bay with two wings to the rear

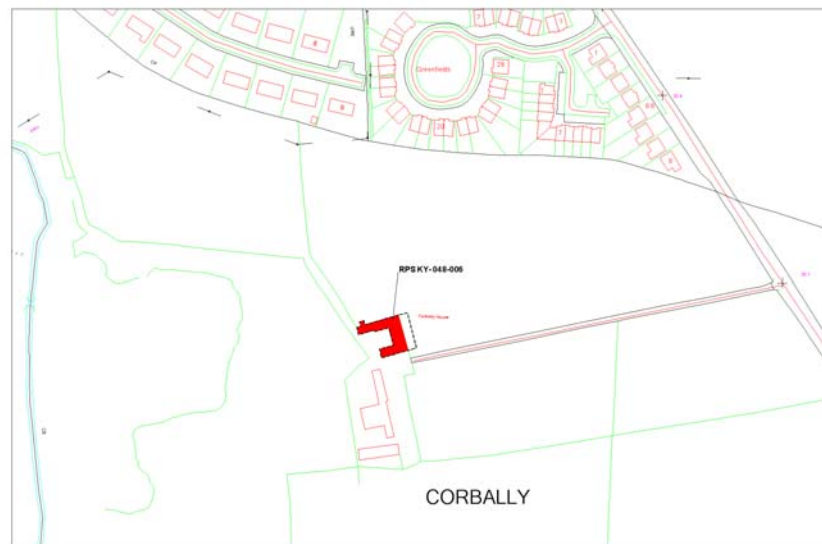

Ordnance Survey Map: 5873B

National Grid co-ordinates: 90970 : 102900

Special interest: Architectural

Site features:

Location Map (not to scale)

Appraisal: Well composed single storey house, originally built as a presbytery. The house has two wings at the back creating an open square. This building due to its design and overall layout is unusual for a building of this vintage in Kerry. It is an important part of the county's architectural heritage and should be included in the RPS.
