Description: Detached three storey, three bay
Hipped full height extension and lean-to to rear.

Ordnance Survey Map: 5802D

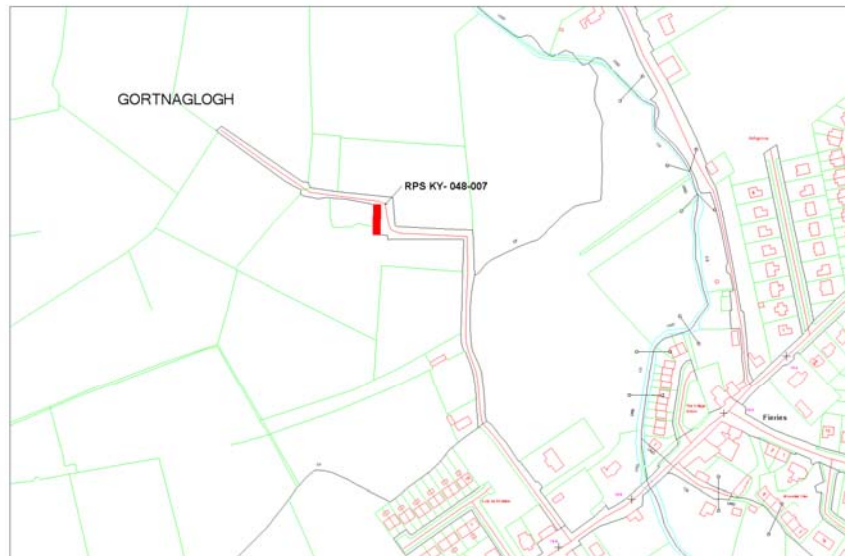

National Grid co-ordinates: 89915 : 103680

Special interest: Architectural, historical

Site features:

Location Map (not to scale)

Appraisal: This building is well over three hundred years old and dates to the mid to late 1600s, and is one of a very small number of houses from this period surviving in Kerry. The house retains many original features and also shows evidence of changes in architectural fashion over the centuries. This building represents a very important element of the architectural history of Co. Kerry and is also of regional significance.
