

Planning authority: Kerry County Council,

Unique identity number: RPS KY-058-001

Address: Prospect House, Kilcummin

Description: Five bay two storey with central projecting bay to front and double A style roof.

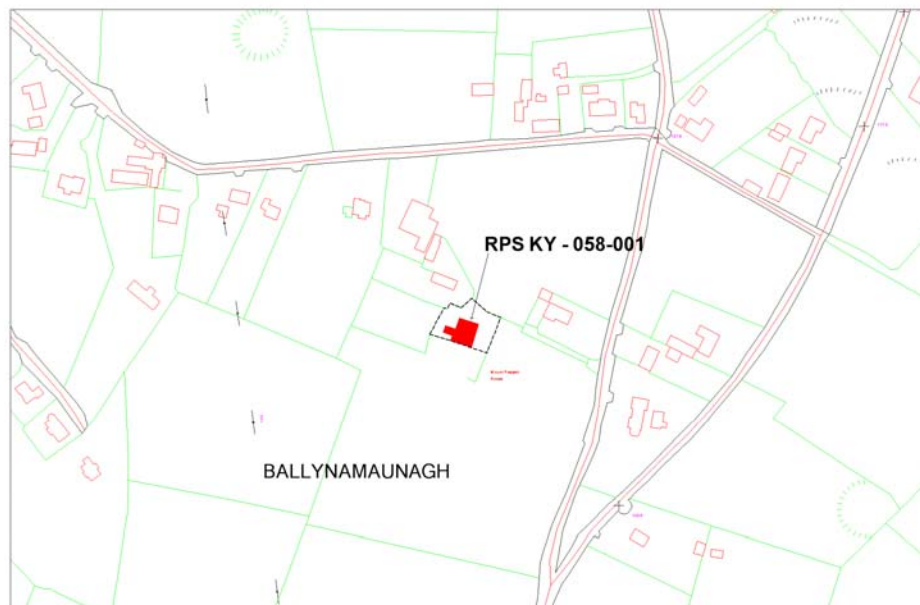

Ordnance Survey Map:

National Grid co-ordinates: 98455 : 94205

Special interest: Architectural

Site features:

Location Map (not to scale)

Appraisal: This late 18th century building is an impressive structure. The middle bay is comprised of a door with sidelights and a venetian window at first floor projects which slightly from the rest of the façade. The house is located on a prominent site with spectacular views over the lakes of Killarney. This structure is a hidden architectural gem despite its current somewhat derelict condition and should be included in the RPS.
