

Planning authority: Kerry County Council,

Unique identity number: RPS KY 093-064

Address: Ardtully, Kenmare

Description: Freestanding circular tapering chimney stack

Ordnance Survey Map: 6320

National Grid co-ordinates: 97,492m, 73,157m

Special interest: Architectural, technical, historical.

Site features:

Location Map (not to scale)

Appraisal: This chimney stands as a reminder of the copper mining activity which was once carried out in this area up to---. When the mine was operational the chimney would have formed an integral part of the extraction process. This structure should be included in the RPS because of its technical architectural and historical significance.
